

Dear Brothers and Sisters,

Christmas 2021

“Peaceful Christmas and Happy New Year”

Once again, we are preparing for the birthday of Jesus. Let us prepare spiritually during this Advent time. Jesus will be born in our hearts when we receive Him in the state of grace. Let Jesus bless our family and our nation and deliver us from all the evil viruses. Let there be peace and health for all the people. We live in a very difficult time, confusion, fear, sickness and violence etc. we need to come closer to God through our Holy Masses, adorations, fasting and prayers.

Due to the Covid virus I have not traveled since March 2020. I had to cancel many Healing Ministries around the world and across our country. I am offering Healing Masses and other Healing services through live streaming on the computer through my YouTube channel and my website every First Friday and First Saturday, all Sundays and Holy Days of Obligation. Thousands of people are benefiting through participating in the Healing Masses and many miracles and healings have happened.

I receive many phone calls from all over the world. Many contact me using the Telegram app and the What's Up app which provides me with the opportunity to video chat with them and see them face to face. I can hear their problems and counsel them and go to my Chapel and pray with them. I also have had many opportunities to give talks for retreats and conferences around the world through Zoom, radio and television.

I will celebrate my 47th anniversary of my Priestly Ordination on January 1, 2022, which is the Feast Day of Mary, Mother of God. I pray for all of you in my daily holy Masses and adoration especially on Christmas and New Year's Day.

I wish you a Blessed Christmas and a Happy New Year 2022.

With Love,

Father Jose Maniyangat
